

Business & Skills Training in Health and Social Care

Who We Are

Based in Dumfries our team is made up of a group of professionals who between them share years of knowledge and experience in business and social care, this is utilised to provide our learners with a professional service for training, professional development awards and SVQs at all levels.

We are an approved centre for SQA, SDS Individual Training Account, CIEH and REHIS.

We are also a Living Wage Employer and a Carer Positive Organisation.

What We Do

CTC currently provides training, SVQs and Professional Development Awards across Scotland.

SVQ's/PDAs

Scottish Vocational Qualifications give you a focused, on-the-job context for training and developing your staff. They are an excellent way of making sure that your staff development programmes and your business strategy go hand-in-hand.

To gain an SVQ in care the learner will be assessed in their normal work place performing familiar tasks to the required standards.

These qualifications assist you in your SSSC registration requirements.

SVQ 2 Social Services and Healthcare at SCQF Level 6

SVQ 3 Social Services and Healthcare at SCQF Level 7

E-Portfolio Qualifications

We use Learning Assistant for our SVQ's. Learning Assistant is an online system where learners can build their portfolios of evidence online, at a time and place to suit them. Access has never been easier for all involved. Learning Assistant can be used on tablets and smartphones.

Individual Training Account

Skills Development Scotland (SDS) Individual Training Accounts (ITAs) are for people who are 16 or over, living in Scotland and either in low paid work or actively seeking work. You must have an income of £22,000 a year or less, or be on certain benefits to be eligible to get up to £200 towards the costs of learning or training. You can apply for an ITA if you are not undertaking any secondary, further or higher education, SDS funded training or participating on the Community Jobs Scotland programme.

ITAs are available if you are interested in learning something new or developing an existing skill to support you in work. There is a wide range of courses to choose from and you can study with any ITA approved learning provider, including learning centres, local colleges, universities and private training providers.
